

APPEAL NO. 021525
FILED ON AUGUST 1, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 20, 2002. The hearing officer determined that the respondent's (claimant) compensable injury of _____, extends to and includes the cervical area. In its appeal, the appellant (carrier) argues that the hearing officer's extent-of-injury determination is against the great weight and preponderance of the evidence. The file does not contain a response from the claimant.

DECISION

Affirmed.

The hearing officer did not err in determining that the claimant's compensable injury extends to and includes the cervical area. That issue presented a question of fact for the hearing officer. Texas Workers' Compensation Commission Appeal No. 93613, decided August 24, 1993. Section 410.165(a) provides that the hearing officer is the sole judge of the weight and credibility of the evidence. As the fact finder, the hearing officer resolves the conflicts and inconsistencies in the evidence and determines what facts the evidence has established. Garza v. Commercial Ins. Co., 508 S.W.2d 701 (Tex. Civ. App.-Amarillo 1974, no writ). The hearing officer was acting within his province as the finder of fact in resolving the conflicts and inconsistencies in the evidence in favor of the claimant. Nothing in our review of the record demonstrates that the challenged determination is so against the great weight of the evidence as to be clearly wrong or manifestly unjust. Accordingly, no sound basis exists for us to disturb that determination on appeal. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The hearing officer's decision and order are affirmed.

The true corporate name of the insurance carrier is **INSURANCE COMPANY OF THE STATE OF PENNSYLVANIA** and the name and address of its registered agent for service of process is

**CORPORATION SERVICE COMPANY
800 BRAZOS, SUITE 750
